

EVANGELINI (LINA) EVGENI

Surname Evgeni

First name Evangelini (Lina)

Father's name Apostolos

Date of birth March 10th, 1972

Place of birth Athens, Greece

Work address 6, 25th Martiou Street 154 51 Neo Psychiko Athens Greece

EXPERIENCE

May 2012 - Present

Founder, CEO and Director of CRYOGONIA Cryopreservation Bank

October 1997 - May 2012

Laboratory manager of the 'SEMINOLOGY LABORATORY G. LYMBEROPOULOS'

EDUCATION

2010 - 2015

Philosophy Doctorate from the Democritus University of Thrace
Greece – Medical School. Grade: Excellent

1995 - 1997

Master's of Philosophy effectuated in the University of
Nottingham (Medical School - Department of Obstetrics and Gynaecology).

1990 - 1994

University degree in Biology from the University of Athens
Greece – Faculty of Biology. Entered first among the successful candidates of 1990.
Grade: Very Good (8.11 out of 10).

1983 - 1989

3rd Gymnasium of Athens and Unified Multidisciplinary High School
of Athens. Graduated with grade Excellent (19 6/9 out of 20).

MEMBERSHIPS

COST ACTION (European Union), Greece's Representative

ESHRE, member (since 2014)

Hellenic Andrology Society, General Secretary

Panhellenic Association of Clinical Embryologists, member

RESEARCH FIELD

Human sperm cryopreservation and comparative evaluation of semen quality, pre freeze and post thaw.

Sperm DNA fragmentation testing.

Use of modern, sophisticated semen analysis techniques (conventional and sperm fertilizing ability testing), as diagnostic tools for the selection of the appropriate therapy.

Mangoli V, **Evgeni E**, Wyns C. Sperm cryopreservation protocol for micro-TESE-retrieved sperm. **Asian J Androl.** **2024** Sep 10. doi: 10.4103/aja202466. Epub ahead of print. PMID: 39254400.

Chapter entitled «**Sperm Banking**» for the Seminar on the subject of **'Reproductive Science in Biology & Medicine'**, scientific advisor Prof. Georgiou Ioannis – **University of Ioannina, 2018**

Doctoral thesis titled: **Evaluation of sperm nuclear DNA integrity in infertile men: correlation with conventional seminal parameters. Alexandroupolis, 2015**

Book: Evgeni L and Lymberopoulos G. 'The function of Human Semen: Diagnostic evaluation of disorders – Therapeutic management' Beta Med Arts (2010) BOOK p. xvi+336 [GR]
ISBN: 978-960-452-100-5

Master's thesis titled: **"A Comparison of two Sperm Cryopreservation Media in relation to Conventional Semen Parameters, Sperm Function Tests and Bioactivity"** (Nottingham, 1995 - 1997).

SCIENTIFIC LECTURES

Sperm Cryopreservation: Opportunities for Ovarian Fertility Preservation and Gamete Donation, 8th Panhellenic Conference on Thermal Medicine & Assisted Reproduction - Athens 2024

Poster: P149 'Age as a factor of male infertility - Alterations in the levels of sperm DNA fragmentation in the Greek population' . T Loumakos, G Kanakis, D Stathopoulos, P Kotrotsos, **E Evgeni**, 13th European Academy of Andrology Congress - Stockholm 2024

Consequences of Irrational Use of Antioxidants, Andrology Workshop - Cutting-Edge Topics in Andrology – Thessaloniki, Hellenic Society of Andrology (May 2024)

Male Age as a Factor Affecting Male Fertility - Alteration of Sperm DNA Fragmentation Levels in the Greek Population, 6th Congress of the Hellenic Society of Physicians of Assisted Reproduction & Panhellenic Association of Clinical Embryologists (April 2024)

Gamete Donation: Limits of Use, Questions, and Concerns, 6th Congress of the Hellenic Society of Physicians of Assisted Reproduction & Panhellenic Association of Clinical Embryologists (April 2024)

Number of Families Using Gamete Donation: Concerns and Limitations, 4th Conference of the Greek Society of Reproductive Medicine - Round Table: Legal and Political Aspects of Assisted Reproduction and Human Fertility (2024)

Male fertility preservation: a way of improving birth rates? Bonding embryologists to geneticists and fertility specialists - Assisting Nature College of Reproduction - Thessaloniki (2023)

The Operation of the Sperm Bank under the New Legal Framework - MIYA NNA Conference (2023)

ORP and male infertility: Real world experience from Greece, ESHRE 39th congress -MioxSYS symposium

The Operation of the Sperm Bank under the New Legal Framework, 13th Panhellenic Congress of Andrology – Athens, Hellenic Andrological Society

Sperm Preparation Techniques, SEMINAR by the Panhellenic Association of Bioscientists: Introduction to Clinical Embryology – Clinical and Laboratory Practices in Assisted Reproduction

Poster: The comparative results of 4 available glycerol only sperm cryopreservation media in a private sperm bank. Evangelini Evgeni, Dimitra Koumasi, Lazaros Karagiannidis, Lindsey VerMilyea, Alpha 13th Biennial Conference

Poster: P103 'Sperm static oxido-reduction potential in men with infertility and fertile men.' G Mintziori, E Arapogianni, D Koumasi, G Kanakis, DG Goulis, **L Evgeni** - 12th European Academy of Andrology Congress - Barcelona 2022

Poster: P102 'Decrease in sperm motility between one and three hours after ejaculation: association with the Hypo-Osmotic Swelling Test'. E Arapogianni, G Mintziori, DG Goulis, **E Evgeni** - 12th European Academy of Andrology Congress - Barcelona 2022

Poster: P071 'Correlation of reductive stress with conventional semen parameters in a Greek population cohort' Koumasi Dimitra, Kanakis Georgios, Karagiannidis Lazaros, Markogiannaki Maria Melina, **Evgeni Evangelini** - 12th European Academy of Andrology Congress - Barcelona 2022

'Sperm chromatin integrity and its impact on embryo quality and ART outcome' The future of ART – Hot topics in Reproductive Biology Procrea Lugano (April 2022)

'Spermogram in the new era: Presentation of the 6th edition of the WHO manual for the examination and processing of human semen' 3rd Symposium of Assisted Reproduction Conception of Life Athens (March 2022) [GR]

'Sperm Morphology – is image a mirror of function?' 12th Panhellenic Andrology Congress of the Hellenic Andrology Society (June 2021). [GR]

'The correlation between male age and numerical and structural chromosomal anomalies – its effect on sperm DNA fragmentation' – 3rd Panhellenic Congress of Reproductive Medicine (October 2020). [GR]

'COVID-19 & SPERM' 1st Webinar Hellenic Andrology Society (June 2020) [GR]

'Seminal Oxidative Stress: A contemporary approach of male infertility evaluation'- 4th joined Congress of the Hellenic Society of Doctors in Assisted Reproduction and the Panhellenic Society of Clinical Embryologists Athens (February 2020). [GR]

'Making a family: How the dream comes true. Evaluation and preservation of male fertility' 1st Fertility Festival – Zappeion Athens (June 2019) [GR]

'Sperm Cryopreservation Banks: Specifications-Current developments' ART Clinic Athens Naval Hospital (May 2019). [GR]

'Semen analysis as the mirror of spermatogenesis' in the context of the 11th Panhellenic Andrology Congress of the Hellenic Andrology Society (May 2019). [GR]

'The effect of cryopreservation in sperm fertilizing potential' in the context of the 11th Panhellenic Andrology Congress of the Hellenic Andrology Society (May 2019). [GR]

'Male fertility preservation in the context of spermatotoxic therapy' presentation in the Radiology Department of Attikon Hospital of Athens (April 2019). [GR]

'ROS: friend or foe? The role of free radicals in male (in)fertility' (invited speaker) in the context of the scientific meetings organized by the IVF Unit of IASO 'Institute of Life' (November 2018). [GR]

'Diagnostic Semen Analysis as Indicator of Male Fertility' in the context of the 14th Panhellenic Congress of Obstetrics and Gynaecology (May 2018). [GR]

'Sperm Function Tests: Contemporary Laboratory Approach – Clinical Applications' 3rd joined Congress of the Hellenic Society of Doctors in Assisted Reproduction and the Panhellenic Society of Clinical Embryologists Athens (February 2018). [GR]

'Sperm Freezing and Cryopreservation: male fertility preservation in the context of spermatotoxic therapy' in the context of the educational andrology seminars of the Hellenic Andrology Society entitled: 'Neoplasms and Fertility' (February 2017). [GR]

'Seminology Laboratory: Reflections on result reporting' in the context of the 10th Panhellenic Andrology Congress of the Hellenic Andrology Society (March 2017). [GR]

'Semen Cryopreservation Banks: Basic principles of organization and function' (invited speaker) in the context of the scientific meetings organized by the IVF Unit of IASO 'Institute of Life' (November 2016). [GR]

'Basic Semen Analysis' in the context of the educational andrology seminars of the Hellenic Andrology Society entitled: 'From the Laboratory to Clinical Practice' (October 2016). [GR]

'Semen Analysis – The Laboratory Perspective' in the context of the educational andrology seminars of the Hellenic Andrology Society entitled: 'Fertility' (January 2016). [GR]

'Semen Cryopreservation' in the context of the educational andrology seminars of the Hellenic Andrology Society entitled: 'Assisted Reproduction Techniques in Male Infertility' (January 2016). [GR]

'Applications – diagnostic value of semen analysis in the context of assisted reproduction' – 2nd joined Congress of the Hellenic Society of Doctors in Assisted Reproduction and the Panhellenic Society of Clinical Embryologists Athens (November 2015). [GR]

'Spermiogram – how do we interpret the new W.H.O. 2010 guidelines' – 42nd Panhellenic congress of the Hellenic Society of Endocrinology Thessaloniki (May 2015). [GR]

'Spermiogram' in the context of a scientific symposium entitled: 'Male infertility in the era of crisis' – Military Naval Hospital Athens (June 2014). [GR]

'Infertility – the role of human semen in reproduction' – Athens Science Festival Technopolis (May 2014). [GR]

'Semen Banking: Principles and function' in the context of the professional seminars organized by the Panhellenic Association of Bioscientists and the Panhellenic Association of Clinical Embryologists (December 2012). [GR]

'Semen and Testicular Tissue Cryopreservation' in the context of the professional seminars organized by the Panhellenic Association of Bioscientists and the Panhellenic Association of Clinical Embryologists (June 2012). [GR]

'Spermiogram and Infection' in the context of the educational andrology seminars of the Hellenic Andrology Society entitled: 'Genital Infections' (March 2011). [GR]

'The role of oxidative stress in male infertility'. Aetiology – Diagnostic evaluation – Therapeutic approach. 7th Panhellenic Congress on Free Radicals and Oxidative Stress - Spetses (June 2010). [GR]

EDUCATIONAL ACTIVITIES

November 2021	Teaching lecture in the context of the Specialized Training Program in Clinical Embryology and Physiology of the Pre-Implantation Embryo of National and Kapodistrian University of Athens, entitled: 'Organization, management and standard operating procedures (SOPs) of andrology laboratories'
May 2015 - 2025	Lectures in the context of the Postgraduate Master's Degree in Human Reproduction – Democritus University of Thrace Greece: 'Sperm Cryopreservation – Human Sperm Banking' 'Sperm chromatin integrity – DNA fragmentation index' 'Artificial insemination'
July 2005 - July 2017	Instructor – lecturer in the ESHRE-SIGA 'Basic semen analysis course', organized once a year on University-based laboratories in Greece.
June 2011 - June 2018	Instructor – lecturer in the Practical Andrology courses organized once a year by the Hellenic Andrology Society, on the subject of Semen Analysis.

SEMINARS – POST GRADUATE TRAINING

October 2024	8th Panhellenic Congress of Thermal Medicine & Assisted Reproduction
September 2024	13th European Academy of Andrology Congress
May 2024	Andrology Workshop – Cutting-Edge Topics in Andrology – Thessaloniki, Hellenic Andrological Society
April 2024	6th Conference of the Greek Society of Assisted Reproduction Physicians and the Panhellenic Association of Clinical Embryologists
March 2024	4th Conference of the Hellenic Society of Reproductive Medicine – Round Table: Legal and Political Aspects of Assisted Reproduction and Human Fertility
September 2023	'Bonding embryologists to geneticists and fertility specialists' Conference, Assisting Nature College of Reproduction
July 2023	'Andrology in the Art of Assisted Reproduction' Conference, Medically Assisted Reproduction Unit, Naval Hospital of Athens
June 2023	ESHRE 39th Annual Meeting
June 2023	13th Panhellenic Congress of Andrology, Hellenic Society of Andrology

May 2023	'Introduction to Clinical Embryology – Clinical and Laboratory Practices in Assisted Reproduction' Workshop, Panhellenic Association of Bioscientists
April 2023	Human Reproduction: Past, Present and Future, UCL EGA Institute of Women's Health
February 2023	European Academy of Andrology Budapest School
December 2022	1st Panhellenic Congress 'Cancer, Infertility, Assisted Reproduction', Hellenic Society of Reproductive Medicine
December 2022	1st LESSON 'Genetics in Andrology', Hellenic Society of Andrology
October 2022	12th European Academy of Andrology Congress - Barcelona, European Academy of Andrology
October 2022	Alpha 13th Biennial Conference
October 2022	ESHRE Webinar 'Male Reproductive Health'
June 2022	'Male Reproductive and Sexual Health in the Age of COVID-19 Workshop – Athens, Hellenic Andrological Society
June 2022	5th Conference of the Greek Society of Assisted Reproduction Physicians and the Panhellenic Association of Clinical Embryologists
June 2022	COST - ANDRONET 1st HYBRID MEETING
May 2022	Latest Approaches in In Vitro Fertilization, Medically Assisted Reproduction Unit, Naval Hospital of Athens
April 2022	1st Next Fertility International Joint Meetings- The future of ART, NEXT FERTILITY-PROCREA
March 2022	3rd Scientific Symposium on MAR 'Male Infertility', IASO CONCEPTION OF LIFE
June 2021	12th Panhellenic Congress of Andrology – Athens Hellenic Andrology Society
May 2021	'SARS-CoV-2 and Assisted Reproduction in 2021' ESHRE Webinar
May 2021	ESHRE Webinar 'Quality management in ART – an update'
April 2021	'Beauty is in the eye of the beholder – Human sperm morphology - International IVF Initiative Webinar
April 2021	'SARS-CoV-2 in Assisted Reproduction' - International IVF Initiative Webinar

March 2021	'A discovery of Sperm' - International IVF Initiative Webinar
March 2021	'Online ART Training Module 2: Advanced Andrology Techniques' – The Cleveland Clinic American Center for Reproductive Medicine Webinar
January 2021	'The invisible male' - International IVF Initiative Webinar
December 2020	'Online ART Training Module 1B: Sperm Morphology' – The Cleveland Clinic American Center for Reproductive Medicine Webinar
December 2020	12th International, 11th European & 32nd German Congress of Andrology Digital
December 2020	'Procurement of human biological material and infertility' - Hellenic Society of Reproductive Medicine [GR] Webinar
November 2020	'Online ART Training Module 1A: Manual Semen Analysis' – The Cleveland Clinic American Center for Reproductive Medicine Webinar
November 2020	'Integrity' International IVF Initiative Webinar
October 2020	'Care for the patient in IVF' – Webinar ART Unit of the Naval Hospital Greece
November 2019	'Genes vs Children: genetic inheritance and options in fertility care' ESHRE SIG-Andrology & SIG-Psychology Campus – Bilbao
June 2019	3rd Panhellenic Symposium in Clinical Genetics and Genomics – Athens Hellenic Society of Medical Genetics
May 2019	11th Panhellenic Congress of Andrology – Athens Hellenic Andrology Society
May 2019	2nd Donor Sperm Symposium hosted by Cryos – Aarhus Denmark
April 2019	Congress ART Unit Naval Hospital Athens – 'Infertility – Assisted Reproduction: Myths and Reality' – Athens
March 2019	SIGA-ESHRE Campus 'Male factor infertility: the broad picture – Ghent Belgium
January 2019	2nd Scientific Symposium of Assisted Reproduction 'New Horizons in In Vitro Fertilization' – IASO Scientific Society of Assisted Reproduction Conception of Life

November 2018	3rd Panhellenic congress of the Greek Association of Medical Geneticists. Athens Greece
November 2017	Donor Sperm Symposium hosted by Cryos – Aarhus Denmark
July 2017	33th Annual Meeting of ESHRE – Geneva, Switzerland
July 2017	Pre-congress course: 'Mild, moderate and severe male infertility: what is it all about? – An urgent call for consensus.' Geneva, Switzerland
January 2017	1st Scientific Symposium in IVF 'New horizons in In Vitro Fertilization' – Conception of Life Scientific Society for Assisted Reproduction
November 2016	2nd Panhellenic congress of the Greek Association of Medical Geneticists. Athens Greece
December 2015	ESHRE Campus 'Donor Sperm Banking: medical, socio-cultural, ethical and juridical considerations.' Leuven Belgium
November 2015	Symposium of the Hellenic Society of Reproductive Medicine 'The male factor in infertility and its role in IVF' – Athens Greece
April 2015	Educational visit to the headquarters of IVI Valencia Spain, under the supervision of Dr Nicolas Garrido
September 2014	Scientific symposium 'Current developments in PGD and their place in assisted reproduction' Athens
November 2013	1st Congress of the Hellenic Society of Doctors in Assisted Reproduction 'IVF: Present, past and future' Athens
November 2012	Scientific symposium 'Contemporary views in Assisted Reproduction' Athens
October 2012	ESHRE campus 'The best sperm for the best oocyte' - Athens
October 2010	6th European congress of Andrology - Athens 9th Panhellenic Congress of Andrology - Athens
January 2010	Educational visit to the Andrology Laboratory of the Cleveland Clinic, Ohio, under the supervision of Prof. Ashok Agarwal

October 2009	ESHRE campus 'Reproductive andrology: linking laboratory to clinical practice' Thessaloniki Greece
September 2009	Scientific symposium 'Excellence in IVF: targeting perfection in assisted reproduction' Mitera Maternity Hospital Athens
September 2009	ESHRE campus 'Cryobiology and Cryopreservation of human gametes and embryos' Athens
September 2008	3rd scientific symposium in Assisted Reproduction – Embryogenesis Athens
October 2007	8th Panhellenic congress - Hellenic Andrology Society
November 2006	7th Panhellenic congress - Hellenic Andrology Society
January 2006	Educational visit at Cleveland Clinic Andrology Center and American Center for Reproductive Medicine – Observership of methods for sperm Oxidative Stress assessment
December 2005	Seminar on oocyte freezing by vitrification organized by Irvine Scientific
July 2004	ESHRE-SIGA Basic Semen Analysis course organized in Galinos Clinic – Thessaloniki Greece
September 2003	Congress on Contemporary ART and Andrology organized by Alpha – Antwerp Belgium.
March 2000	1st European congress of Andrology L'Aquila Italy & Pre-congress course: 'Male infertility: diagnosis and treatment'
August 1998	International symposium and workshop on the testis - Iakentro Thessaloniki Greece
September 1998 – June 1999	Educational course on Public Relations - Saint George College S.A. – Athens Greece
April 1995	Educational course organized by the British Andrology Society regarding hands-on training on semen analysis techniques - Department of Obstetrics and Gynaecology - University of Sheffield, U.K.

LANGUAGES

Greek: Native speaker

English: Excellent

Certificate of Proficiency in English (University of Cambridge) June 1987 - Grade: (B)

First Certificate in English (University of Cambridge) June 1985 - Grade: A

French: Very Good

Diplôme d' Études Supérieures (Institut Français d' Athènes) June 1991 - Grade: Bien (B)

Italian: Very Good

Certificato di Conoscenza della Lingua Italiana (Università di Perugia)

livello 4 - June 1995 - Grade: Ottimo (A)

STUDENTSHIPS

1996 - 1997	"ALEXANDER S. ONASSIS" Public Benefit Foundation - Financial support for the completion of the postgraduate studies.
1995 - 1996	Greek Ministry of National Economy - NATO scholarship for the first year of the Master's of Philosophy postgraduate course.
1992	Seamen's Welfare - Academic performance during the academic year 1991 - 1992.
1992	Foundation of State Scholarships - Academic performance during the academic year 1990 - 1991.
1990 - 1994	Educational Foundation Georgiou and Annas Sakellariou - Successful entry at the University and academic performance during the studies.
